Take A Trip Through Falcon Country

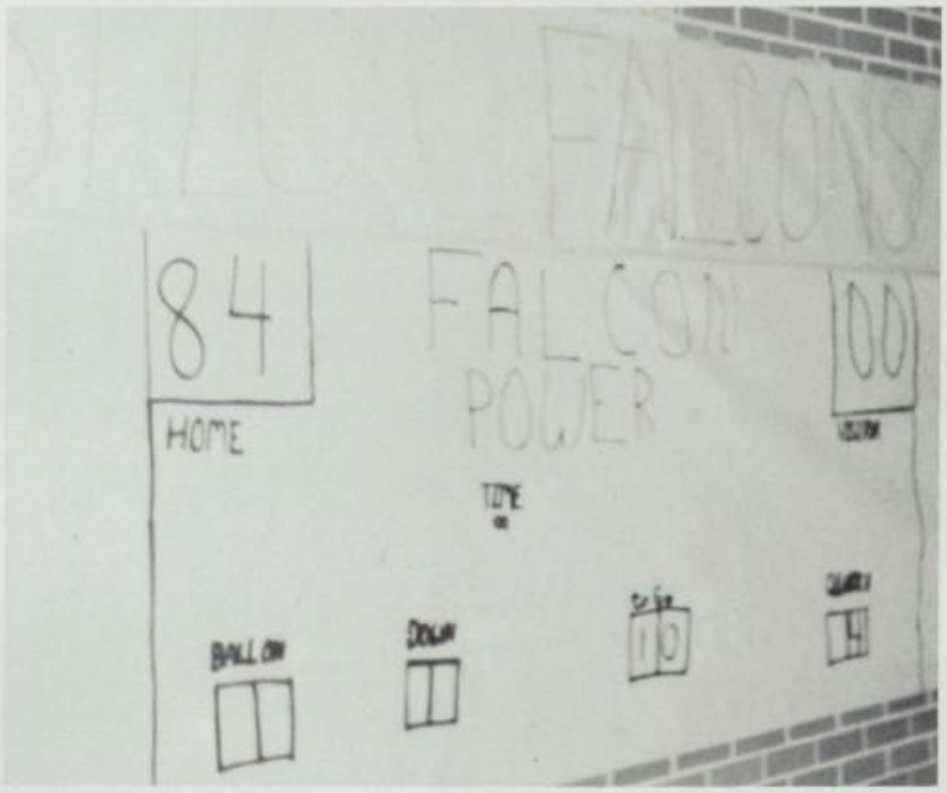
Hello, Welcome to Miller High School. Home of the free, land of the brave, haven for the weak and strong. But most of all the nesting area of the Mighty Falcons. Come join us and be a part of our family. We'd love to have you.

Hope You Enjoy!

WE'VE GOT SPIRIT, LET IT ROLL - WE'VE GOT SPIRIT, LET IT ROLL - WE'VE GOT SPIRIT, LET IT ROLL - WE'VE GOT SPIRIT, LET IT ROLL - WE'VE GOT SPIRIT, LET IT ROLL - WE'VE GOT SPIRIT, LET IT ROLL

Catch A Glimpse Of What We've Got

Our School Spirit Is Really Hot



As Freshmen you Seniors found yourselves wedged between the carefree days of childhood and the responsibilities of being grown up . . . a phase of your life — a time of transition when yesterday is gone and tomorrow remains just beyond your grasp . . . MHS emerges!

A brick building standing as a giant shell to be filled with your thoughts, your ideas, your opinions, your talents, your personalities . . . you are offered a place to belong, a road to follow, traditions to adopt, a pattern to fit into, a chance to mold a world you can call your own . . . MHS lends you a way of life — the Falcon way.

Now a Falcon laughs, talks, cries, worries, lives, and needs a chance to share with others the pain and the happiness of every day life . . . Activities are a part of the Falcon way and each MHS'er injects his own personality into school life.

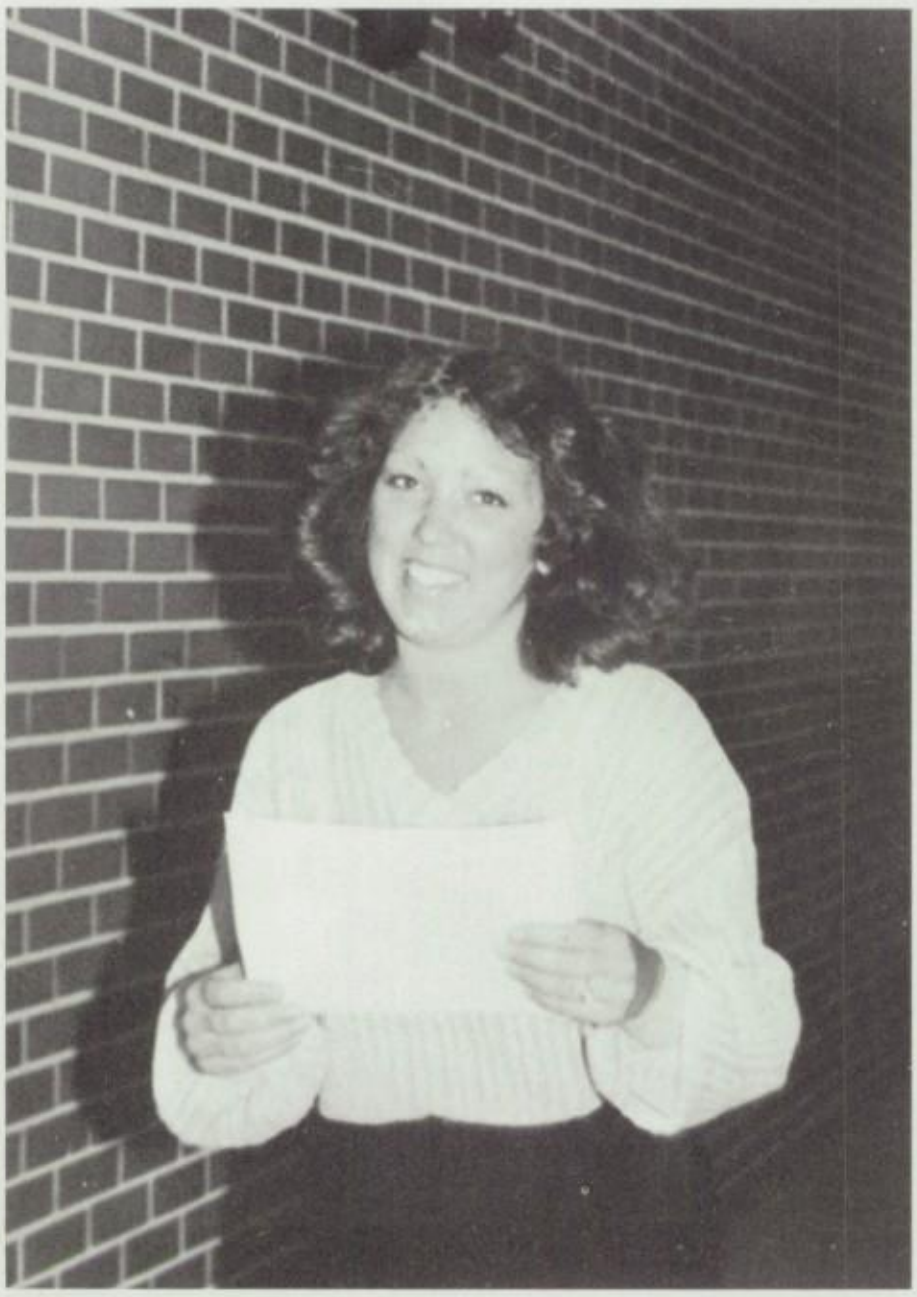
The Falcon as a student watches, listens, reads, studies, learns and seeks to find out about the world he lives in and to establish his place in that world.

The students strive to receive diplomas and to broaden their knowledge.

SO —

Don't Hesitate, Just Come On In

And You'll Find Out Just How It's Been



WE'VE GOT SPIRIT, LET IT ROLL - WE'VE GOT SPIRIT, LET IT ROLL - WE'VE GOT SPIRIT, LET IT ROLL - WE'VE GOT SPIRIT, LET IT ROLL - WE'VE GOT SPIRIT, LET IT ROLL - WE'VE GOT SPIRIT, LET IT ROLL

First Time In M.H.S. History For A Team To Be Sectional Champs And District Runner Up For The Second Year In A Row

Late Rally Gives Miller Sectional Softball Title

HEMLOCK — Miller scored two runs in the bottom of the seventh inning to come away with a 12-11 victory over Federal Hocking in a see-saw Class A Sectional championship game on the winner's field.

The Lancers had taken an 11-10 with three runs in the top of the seventh, including solo home runs by Connie Campbell and Anna Welch. But bases-loaded singles by Anita Hunter and Cheryl Post in the bottom of the seventh gave Miller the victory and the right to advance in the district tournament.

"They beat us last year, 11-10," Federal Hocking Coach Peg Amos recalled, "so this is quite a rivalry. It was a tough loss. The lead changed hands four times." Melissa Hoffman pitched the distance and took the loss for Federal Hocking. The loss dropped the Lancers' record to 7-5 overall.

Hatfield struck out eight batters to pick up the victory for Miller.

The victory advances Miller, 5-4, into the district. Its opponent is yet to be determined, but will come from the sectional where Symmes Valley will host Southern tonight with that winner to visit Southwestern in the sectional final game.

A Three Act Mystery And Comedy

Hercules Nelson is invited to visit his Aunt and Uncle. So he and Wilbur, his bosom pal, hop on a train to his Uncle's home, where they find out Uncle Bob has a new job as a mortician. Soon his Uncle takes in a client, Mr. Quigley, who is pretending to be dead so he can catch whoever tried to murder him. As the story gets more involved, Hercules and Wilbur try to solve the case, but only make things worse by getting Uncle Bob sent to jail. Who is the culprit? Surely it isn't the maid.

What's up Doc?

It looks like he is a Dead Duck.

Roll - School Spirit, Let It Roll - Sch

Soon after school opened this year there was a call for students interested in promoting school spirit. This call was answered by a brave group of Purple and White Crushers. These students were invited to attend a spirit session at Westerville South High School. They came away with ideas you wouldn't believe. These ideas culminated in Spirit Week — the week of the football homecoming — October 15 thru 19. Then came the battle of the classes to get everyone involved and to increase school spirit. There were different events every day and the class that won the daily event got so many points. There were jars with teacher's names on them and at the end of the week, the two teachers with the most pennies would get a pie in the face.

Each of the classes were competing against each other for the coveted Miller High School Spirit Stick and a new award called THE MIKE ALMASHY SCHOOL SPIRIT AWARD.

Monday, the first day, was hat and sock day. Ten points were to be awarded to the class in which the greatest percentage participated. The Seniors won the event and took a 10-0-0-0-0 lead.

Tuesday was twin day. It was worth 10 points. Twin day is two people dressing the same way or as close as possible. The seniors won again. They were in the lead 20-0-0-0-0.

Wednesday was "Wall Day". Each class was given a section of the building to decorate any way they wished. The students made decorations and signs to put up. Five students from each class had one period to arrange the signs and things on the wall. This event was worth 20 points. Mrs. Hooper, Mrs. McCauley, and Mr. Ricketts judged the walls. The Sophomores won. They were now tied 20-20 with the Seniors.

Thursday was "purple and white day." The students in each class had to wear something purple and white. The class with the most students wearing these colors won. The Seniors won with 98%. This event was worth 20 points. The score was now 40-0-20-0-0. Thursday night was the traditional Bonfire and Senior Night. First the attendants and their escorts were announced. Then the Senior football players and cheerleaders escorted their parents across the field and presented their mothers with a football mum. The honored seniors were Mike Blaney, Brian Goins, Kacy Cook, Joe Fulk, Todd Spencer, Chuck Nye, Bruce Simons, Lory Garey, and Torie Rushing. After that the cheerleaders cheered for a while. Then the contests began. Five points were given to the winner of each event. The Sophomores won the obstacle course, frisbee throw, and the egg toss. The Freshmen won the sack race. This made the score 40-0-35-5-0.

Friday was the big pep rally. The football players and the attendants were announced. They started the tricycle race. One girl and one boy from each class were chosen as the class representatives. The girls rode first. Sharon Imler rode the pace bike. They had to make two rounds around the track. Lory Garey won it for the Seniors. Then the boys raced. Jeff Woods won for the Freshmen. This was the last event of Spirit Week. The Seniors won! Final scores: 50-0-35-15-0. The Seniors won the Mike Almashy School Spirit Award.

Then came the Pie Throw. The top four faculty members — the ones with the most pennies — Mr. Nicholas, Mr. Nash, Mr. Norris, and Miss Sands slowly walked to their awaited chairs on the big M of the gym floor not knowing which of them would be the lucky or unlucky faces. Then out of nowhere appeared the famous French chefs for their Miller Pie Throwing Debut. Wearing their chef hats designed by Mademoiselle Lanning, they slowly approached their four captives. First toward one and then backing off and so on until Bruce Simons said, "This one's for you, Miss Sands" and Joe Fulk taking his pie way back with his hand and quickly coming forward with it, said; "Mr. Norris, here's to ya!"

Don't laugh, you might be next!

That's what I always wanted!

Which way did he go?

Are you going to let them get by with that?

"I say they ought to clean up their own mess!"

Lisa and Cheryl put the finishing touches to the field decorations

All in all it was a really fun week for both students and faculty, yet a lot of hard work and co-operation was involved.

The most exciting thing during that week was seeing everyone so involved and enthused. We would like to say congratulations to the students of MHS for the terrific spirit and enthusiasm shown during spirit week. SCHOOL SPIRIT, LET IT ROLL.

This year's prom was one of the best. The girls, in their beautiful colored gowns and the guys in their tuxedoes, made a delightful panorama of couples.

The band engaged for the prom, "Whiskey River," thrilled the guests and hosts throughout the evening.

D.M., the D.J., and his assistant, D.J.; also provided great music for the post prom.

BEST WISHES to the CLASS of '80

87 From Miller Graduate In Sunday Ceremony

The 87 members of the Miller High School 1980 graduating class heard graduation speaker Fr. Richard Metzger, pastor of St. Bernard's Catholic Church, urge them to put "greater effort in the simple things of life."

He included in that group of "simple things" establishing a "loving family" and a neighborhood where everyone knows and trusts one another, being honest and trustworthy on the job, and developing a strong moral code. Fr. Metzger warned against the temptation to put off these things. "Life goes so quickly," he said, "...if you're not careful...the time will already be gone."

He also remarked that since the addage "it's a small world," is now "literally true," that "every man has to be looked upon as a brother."

The invocation at the baccalaureate-commencement exercise was offered by the Rev. Clarence Thompson of the Moxahala United Methodist Church; the benediction was given by the Rev. Ralph Post of the Millertown Church of Christ.

The graduation chorus sang "Thy Will Be Done," and "I Believe," for the gathering. . . . Perry Co. Tribune

Kacy, be brave! Don't cry!

Oh, is that for me?

Curt adds the finishing touch!

Are we late?

I'm speechless!

Glad that's over!

Hooray! I found it!

Getting ready!

You know, I'm really going to miss this place!

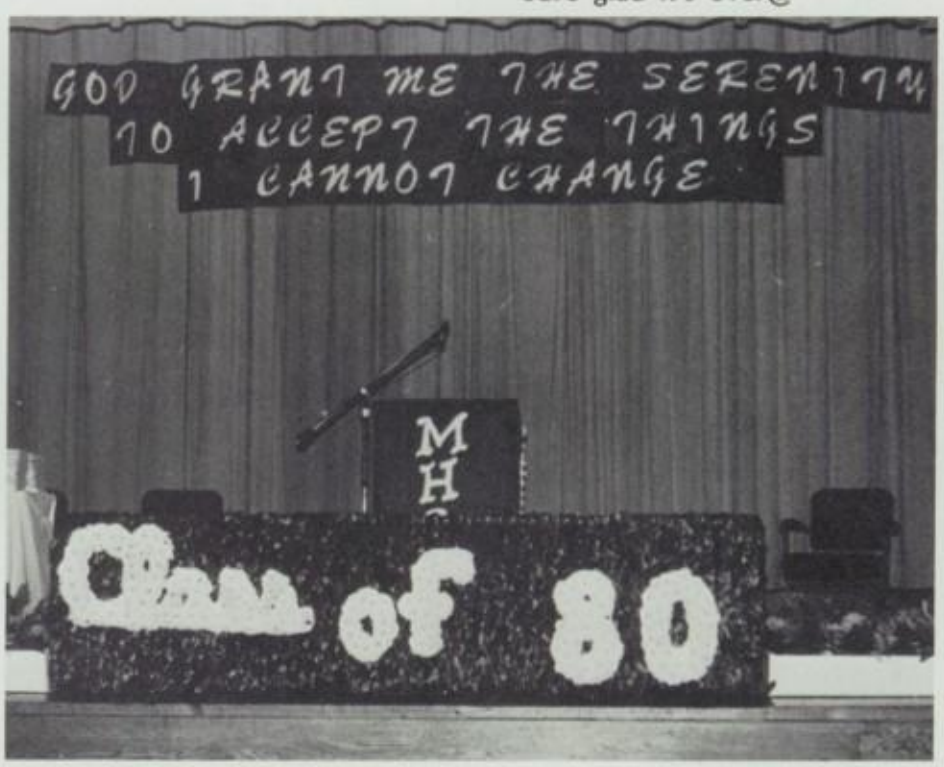
MOST students listen with interest!

It won't be long now!

Getting ready for that last walk out of the gym?

Sure glad it's over@

Speakers for the exercises.



The calm before the storm!

Where's all that money Mr. Nash said we'd get?

This is the time of memories
And of looking forward, too.
Wondering if the days ahead
will be happy ones for you!
